

Client Feedback

Project Reference: 29,BD63JH

Customer Name: Mohammad Tausif

Address:

29 Kenmore Road, BRADFORD, BD6 3JH

Installation Type: Boiler Insulation and Loft Insulation

Once the installation was completed, you should have been provided a full physical handover including demonstration of any relevant settings, controls, operation and maintenance in a clear, jargon-free manner.

We should also have met any particular requirements and expectations that we were made aware of.

If you are in agreement that the job is complete and we have met your requirements we would ask that you to sign below to confirm this.

The signing of this form will not limit your statutory rights, nor will it affect any guarantees or warranties.

If you have any feedback on the installation process or any area of your contact with us, please use the comments section below:

Customer Comments:

The work has been done nicely. I am happy with the installation. The installer did very good work and they were very cooperative and professional.
